Supplemental Type Certificate

Number ST02760AT

This certificate issued to
Flight Display Systems
1765 Grassland Parkway
Alpharetta, GA 30004

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Aviation Regulations.

Original Product - Type Certificate Number : A3WE
Make : Boeing
Model : 727-200

Description of Type Design Change: Installation of an Audio/Video In-Flight Entertainment System in accordance with JAMMONS, Inc. Master Data List J-RP0002, Revision F, dated April 24, 2008 or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. FAA approved Airplane Flight Manual Supplement for JAMMONS, Inc. In-Flight Entertainment System dated November 25, 2003 is a required part of this STC.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 2, 2003

Date reissued : January 05, 2010

Date of issuance : November 25, 2003

Date amended : September 17, 2007, May 30, 2008

By direction of the Administrator
